2015 yılında kurulan Henaks Profil Aksesuarları, üretim hayatına alçıpan profil aksesuarları üreterek başlamıştır. Kalıplarının hem tasarımını hem de üretimini kendi bünyesinde yapan firmamız, bugün üretim portföyüne metal tavan aksesuarları, L braketler, tayrot aynaları ve gazbeton ankraj lama çeşitlerini de ekleyerek hem yurt içi hem yurt dışı müşterilerine dünya standartlarında geniş bir üretim yelpazesi sunmaktadır.

0,40 mm kalınlıktan 6 mm kalınlığa kadar her türlü metal bağlantı elemanları üretimi için sizlere en uygun çözümleri sunmaktan memnuniyet duyarız.

Founded in 2015, Henaks Suspended Ceiling Accessories started its journey by producing gypsumboard accessories. We have been designing and manufacturing our molds inhouse and has added Clip-in accessories, L support brackets, tie rod accessories and aerated concrete connectors to our product portfolio. We present wide range of products with worldwide quality to our both domestic and international customers.

Production of metal accessories from 0,40 mm to 6 mm thickness, we would like be your solution partner.
